

## 2024 District 2 Fall Series

**Fees:** \$25 registration fee (if riding for points) & \$20/horse – \$5 Expos weather permitting

**Qualifying:** Riders must ride 3 of the 4 play days to qualify for series awards. A rider may ride multiple horses, but the time from the first run will be the one placed towards awards. Any additional rides on same horse or additional horses will be considered expos.

**Points:** Points will be awarded as follows, no matter the number of riders in a class. Points are not awarded to riders who are not riding for awards; dead points do not count, including no times and places below 3<sup>rd</sup> place.

**1<sup>st</sup> – 3 points**

**2<sup>nd</sup> – 2 points**

**3<sup>rd</sup> – 1 point**

Points will be totaled for all 4 play days. In the event of a tie for placement, a run-off will be held at the final play day in the series. You must ride to break the tie; if you are not present or choose not to ride, you will forfeit the tie.

**Disputes:** Protests must be filed prior to the start of the next event. Protests must be presented to the Time-Keeper in the crow's nest.

**Judging:** All riders competing for points must work one event per play day. This includes set-up, in the arena judging, and teardown of the event. There must be a minimum of 2 judges in the arena during the event. In the event the play day has low numbers riding, the event will be considered "WORKED" only if the riders set up AND tear down one event at each playday. **Judges' call is final.**

**Awards:** Awards will be given for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> in each class. All riders may only qualify in one class and one placing. It is the Club's intention to award the prizes at the conclusion of the final play day in the series.

**Events:** Four (4) events will be run at each play day in the series. Events will be placed in a hat and drawn at the start of each play day. The events drawn will be posted on our Facebook page so riders may look at the patterns before the beginning of the play day. Once an event is drawn and ridden at a play day, the event will NOT be placed back in the hat. ALL EVENTS WILL BE DRAWN AND WILL NOT BE REPEATED OVER THE COURSE OF THE SERIES.
